Results

Laurelhill continues to build on its success of the last three years with school results exceeding or in line with the Northern Ireland average for similar schools at both Key Stage 4 and Key Stage 5.

We offer a broad curriculum at Key Stage 4 and 5 in a range of general and vocational subjects. To enrich the experience of pupils there are arrange of extra-curricular activities including Cadets, drama, music and sport.

Mixed Ability Teaching in Year 8 at Laurelhill Community College

In Laurelhill Community College Year 8 pupils are organised into mixed ability teaching groups. This removes the need to test pupils in June and allows the focal point of Year 8 to be on building relationships and settling into life in a post primary setting.

The mixed-ability classroom, creates equal expectations for all pupils and provides them with access to the same resources and opportunities as their peers. All students are held to high standards and are supported in their learning through differentiated teaching.

Upon entry into Year 9, pupils are streamed into groupings which best match their individual needs and learning styles. Factors which determine the class groupings from Year 9 onward include pastoral needs, data from assessments taken in school and class sizes.
