Results

In 2017 Laurelhill results hit a new record breaking high which exceeded the Northern Ireland Average for similar school by almost 6%.

Building on the success of 2016, results improved yet again, with 78% of pupils achieved 5 or more GCSEs at grades C or higher, many achieving an A grade. Also, 52% of pupils achieved 5 or more GCSEs at grades C or higher including Maths and English, again beating the Northern Ireland Average by 5%. Every pupil in Year 12 left the school with a GCSE qualification and all were entered for GCSE Mathematics and GCSE English.

Furthermore, results at A-Level exceeded the Northern Ireland average for non-Grammar schools, as a record number of students gained the top grades. An impressive 86% of A-Level students achieved 3 A-Levels, exceeding the Northern Ireland average by over 10%. The number of pupils achieving 3 A*-C grades in A-Level rose again to almost 58% (more than 7% above the Northern Ireland Average).

The key statistics for 2017 are noted below. Please contact the school if you would like information on previous public examination results.
